About

Established in 1974, the Virginia MGMA is a tax-exempt association of medical practice management and administrative professionals and representatives of organizations that support medical practices. Our members come from practices that range in size from 1 to over 600 providers and include all major specialties.

We are the Virginia resource for practice leaders and their organizations. Our membership has grown to represent over 500 members and continues to grow year after year in support of our mission and vision.

Mission

To continuously improve the performance of Virginia medical practice leaders and their organizations.

Vision

To be the foremost Virginia resource for education, connections, advocacy, and professional development for medical practice leaders and their organizations.
