

Message from the Board of Directors

We are the Virginia MGMA, a non-profit organization that is an affiliate of national MGMA. Our members include healthcare management professionals and representatives of organizations that support medical practices.

We offer the professional administrator a wealth of information and contacts. Consider joining us to further your practice management knowledge, network with your peers and take advantage of the advocacy work being done to support issues important to healthcare providers.

The Virginia MGMA is an affiliate of national MGMA. Memberships are separate for each organization. To learn more about MGMA, please visit their website at www.mgma.com

WELCOME to the Virginia MGMA

Membership Categories

Active

Any individual who is employed in a management capacity by an entity providing healthcare services including, by way of example only, a physician practice, hospital or health system, a physician practice affiliated with an accredited medical school or graduate medical education program, a federally qualified health center or other community health center providing physician and/or health care services or an ambulatory surgery center, diagnostic imaging center, physician network administrators, home health agency or similar provider. An active member's primary role is performing managerial duties involving multiple areas; performing administrative / managerial tasks in a single area; and / or providing patient care while also performing significant managerial/ administrative duties. Sub-categories of Active membership include organizational and transitional.

Affiliate

Any individual who is employed by, or an owner of, an entity providing products and/or services to health care providers, including, by way of example only, insurers, health care vendors or similar providers and that do not qualify as an active member. An Affiliate is entitled to membership in VMGMA as determined by the Board of Directors and will be a non-voting member of VMGMA.

Student Affiliate

Any individual enrolled full-time as a student in a healthcare degree or business related degree program at an accredited institution of higher learning including, by way of example only, community colleges, universities, technical colleges, postgraduate or fellowship programs. A Student Affiliate is entitled to membership in the VMGMA as determined by the Board of Directors and will be a non-voting member of the VMGMA and may serve on any committee.

Lifetime

Any individual who has been an Active Member in the previous year and is fully retired from the field of health care management. This member will have demonstrated exceptional service to VMGMA through years of service, support and serving to strengthen VMGMA. A Lifetime member will have benefits of an active member but no voting privileges within VMGMA for as long as they wish to participate in the association.

JOIN

About

Established in 1974, the Virginia MGMA is a non-profit association of medical practice management and administrative professionals and representatives of organizations that support medical practices. Our members come from practices that range in size from 1 to over 600 providers and include all major specialties.

We are the foremost Virginia resource for practice leaders and their organizations. Our membership has grown to represent over 500 members and continues to grow year after year in support of our mission and vision.

Mission

To continuously improve the performance of Virginia medical practice leaders and their organizations.

Vision

To be the foremost Virginia resource for education, connections, advocacy, and professional development for medical practice leaders and their organizations.
